Sponsorship & Exhibitors

Softball Ontario is pleased to offer the opportunity for businesses to network with minor softball associations from across the province of Ontario.

The Get In The Game Symposium is a gathering of Softball Association Representatives from communities across the province, and is a great chance to promote your organization and increase your company's visibility within the amateur softball community. The Association Representatives consist of League and Association Presidents and Board Members, who are the decision makers for their respective organizations. Delegates are eager to see the latest products and services to support their efforts in providing youth and adult softball programming to participants throughout Ontario.

Since the first annual Get In The Game Symposium in 2007, the event has averaged eighty (80) participants representing thirty-nine (39) Softball Associations from across Ontario. With an average of 150 softball players per Association, the Get In The Game Symposium gives your company the potential to reach up to 5,850 softball players by connecting with their Association Representatives.

If you have any questions regarding becoming a Sponsor or Exhibitor at the 2010 Get In The Game Symposium, contact Lisa Crompton at lcrompton@softballontario.ca or call 416-426-7150.
